## WHAT IS STARTUP WEEKEND?

Startup Weekend is an intense event bringing brilliant tech minds together to create a company from concept to launch over a weekend. The weekend is fun, mentally stimulating, and always profitable! It is your drive and passion that will drive the success of the weekend. If you are a web developer, business manager, startup enthusiast, marketing guru, graphic artist, or just plain curious visit us at our website for more details.

**TICKETS  
\$40 EA.**
